

ABC – America’s Boating Course

A one-day class designed to appeal to boaters, personal watercraft operators, hunters, anglers, and others who cannot find time for a full comprehensive course. The ABC was developed by the U.S. Coast Guard Auxiliary in cooperation with the U.S. Power Squadrons and Mosby Lifeline, and is approved by the National Association of State Boating Law Administrators (NASBLA). It is also approved by most of the states, which require formal instruction in order to operate a boat.

An action-packed course filled with vital information on making your boating experiences safer and more comfortable. Subjects include operating, navigating, anchoring, docking, handling emergencies, plus tips and techniques on being a better boater, as well as the laws and regulations to which you must adhere. Sign up now and join us for a fun and informative day!
